

Tiffany Vincent KC1NAF, the Ham in charge of the Claremont Maker Space club W1CMS. they are running a Tech Class / flash card cram session on Saturday Oct. 25, and running a second day Sunday 10/26, from 9AM to 4PM... with testing on that Sunday while the info is still fresh.

Register for the class and test on the Claremont Maker Space web site, under events and classes scroll down to the ham window to click on the sign up page.

<https://claremontmakerspace.org/w1cms/#!event-list>

This is just off the Square in Claremont at 46 Main St. There is a parking garage to use... and they do lunch (!).
